**CORRECTION OF THE RECORD**

Honorable Director of Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

August 23, 2005

Sir:

In response to the Notice regarding Change of Power of Attorney dated July 18, 2005, the Applicant respectfully requests that the record be corrected. Upon specific research and discussion with the firm to which the Power has allegedly been directed, it has been discovered that the Patent Office has made an error. That is to say, the Patent Office transposed two digits in the application number and incorrectly recorded a Revocation of Power of Attorney, Assignment, and New Power of Attorney against the current application. That is to say, the papers that were filed on June 27, 2005, were not filed in application no. 10/732,828 bearing filing date of December 11, 2003 and owned by the inventor Mr. Charles Stephen Beal. These papers were erroneously entered in the record of this application.

Accordingly, the Director is respectfully requested to correct the record, enter the Revocation of Power of Attorney, Assignment, and Power of Attorney in the correct application (not this one) and in turn issue a paper confirming that the undersigned has

proper Power of Attorney in the above-identified application.

In the event any fees are due with respect to this paper, please charge counsel's  
Deposit Account No. 01-2300 **referencing Docket No. 108347-00017.**

Respectfully submitted,
